Oregon CTE Student Leadership Foundation

2026-2027 Grant Announcement

The Board of Directors priority for the 2026-27 school year is to provide support to every student who participates in a recognized CTSO. The Oregon Department of Education recognizes the following CTSOs: DECA, FBLA, FCCLA, FFA, FNRL, HOSA, SkillsUSA, and TSA. Funding provided by the citizens of Oregon will be used to bring benefit to chapters who submits membership by **November 16, 2026.**

The Oregon CTE Student Leadership Foundation Board is excited to announce the 2026-27 Chapter Grant Program, pending final approval! All chapters will be eligible to receive grant dollars. There are two types of chapter grants: New Chapter Grants and Existing Chapter Grants.

New Chapter Grants

Chapters who activate or reactivate this year will receive a grant. To be eligible you must have the following in place:

- not have had a CTSO chapter for the last three years
- submit membership by November 16, 2026
- complete the online form

Existing Chapters

We anticipate a total of $85,000 to be available for existing chapter grants this year. All you have to do is submit membership and complete payment by **November 16, 2026!** For CTSOs that opt-in to Existing Chapter grants, the process is:

- Participating CTSOs will have state staff submit a complete membership roster on November 17, 2026 of members who have been submitted and for which payment has been received
- Available grant dollars will be divided evenly by the total number of members in all participating CTSOs, with a per member amount determined based on available funding and total members
- The Oregon CTE Student Leadership Foundation will write one check to each participating CTSO for their total share of chapter grants
- Checks will be mailed directly from each CTSO to their local chapters
